Scandor Landscape Contractors

Who are we?

Specialist Landscape Contractors

What we do

Quality and Professional Services

Scandor are a leading landscaping specialist in the south of England - including Hampshire, Wiltshire, Dorset, Berkshire and Surrey. The business has evolved from a two-man partnership into the large, multi-skilled, professional landscaping company you see today.

We have been delivering quality and excellence since 1973, working with a wide range of clients including construction companies, local authorities, housing associations, schools, hospitals, retail and business parks, developers and many more. Working with these different industries has helped us to expand our knowledge and experience, firmly establishing our reputation as a leading provider of landscape construction and maintenance services in the south of England.

Our Clients:

Our services

At Scandor we work closely with customers to ensure that their requirements are met, tailoring our services to construct and maintain an external space that they can be proud of.

Over the years we have undertaken work such as public amenities, sports pitches, large estates, business parks and much more. Whatever your requirements we have the experienced and fully trained staff to construct, maintain and manage your external landscape across the south of England.

Our ISO 9001 and 14001 accreditations are testament to our commitment to the environment and to the quality of our work.

Our Services Include:

Scandor Landscape Maintenance

Professional care for your landscape throughout the year

We have over 40 years' experience in grounds maintenance and park management which has led us to work in a diverse range of environments such as large estates, business parks, local amenities and sporting facilities to name but a few. As a result you can trust Scandor to keep on top of all aspects of your outdoor space, preserving its quality and aesthetic appeal throughout the year.

Commercial green spaces are proven to achieve a positive effect and influence on people especially when designed and maintained to a high standard. Whether you require management of a local amenity or a large private estate make sure your visitors, employees and users can appreciate and enjoy the full beauty of your green spaces.
